RenPSG Delivers Grants to Five Indiana Charities

Indianapolis-based philanthropic solutions group raised \$24,000 to help local charities

Indianapolis, Ind. - RenPSG, the nation's largest independent philanthropic solutions provider, has raised \$24,000 through its Making A Difference Fund to distribute to five central Indiana charities. RenPSG employees give to the Making A Difference Fund, a Charitable Savings Account (CSA), through payroll deduction and personal gifts, and collectively determine where to distribute the funds raised at year-end.

"As the industry leader in providing charitable gift services, we believe the next paradigm for corporate giving is the individual Charitable Savings Account (CSA). The CSA allows for company associates to donate to a Donor-Advised Fund throughout the year via payroll deduction. We have implemented the CSA concept via RenPSG's Making a Difference Fund which allows our associates the opportunity to put our professional endeavors to work in our personal lives by giving back to our community."

RenPSG started this tradition in 2013 and has distributed more than \$85,000 to local charities. This year the company distributed their funds to St. Vincent House, Central Indiana Youth for Christ – Parent Life, Indy Ten Point Coalition, Holy Family Shelter and Leukemia & Lymphoma Society.

Making A Difference Fund Charitable Distribution Amounts for 2017:

- St. Vincent House - \$7,500
- Central Indiana Youth for Christ – Parent Life - \$7,500
- Indy Ten Point Coalition - \$5,000
- Holy Family Shelter - \$2,000
- Leukemia & Lymphoma Society - \$2,000

Past recipients of grants have included Riley Children's Foundation, Make-A-Wish, the Ronald McDonald House and Wheeler Mission.
