For use with accounts enrolled in TD Ameritrade Cash or Insured Deposit Account cash features

TD Ameritrade Institutional
PO BOX 650567
Dallas, TX 75265-0567

What's Happening

- In 2019, The Charles Schwab Corporation acquired TD Ameritrade Institutional and its related businesses. Since that time, we've been working with Charles Schwab & Co., Inc. ("Schwab") to move TD Ameritrade Institutional accounts to Schwab.
- The TD Ameritrade Institutional account you're consenting to transfer will transfer to Schwab on or about September 5, 2023 (the "Transition Date").
- This form, and the website noted below, provide important details about the transition of your account. Take a few moments now to review them carefully.
- **ACTION REQUIRED:** You will need to complete this form and affirmatively consent to your account being transferred to Schwab.
- If you do not want your account to transfer to Schwab as of the Transition Date, do not establish this account with TD Ameritrade Institutional or complete this Consent to Transfer form.

Key takeaways about your transition to Schwab

- Your TD Ameritrade Institutional account ("Account") will automatically and securely transition to Schwab beginning after market close on Friday, September 1, 2023. Over the weekend, your assets are scheduled to move to Schwab and you will be able to transact in your new Schwab account on Tuesday, September 5, 2023. On that date, you'll become a client of Schwab and Schwab will become the custodian of your account. For retirement accounts, as of Tuesday, September 5, 2023, Schwab will serve as the IRS approved custodian.
- You'll be able to transact in your TD Ameritrade Institutional account through Friday, September 1, 2023, at 8:30 p.m. ET. After that, you won't be able to access your account. During this time, you will not be able to see your account. Starting at 5:00 a.m. ET on September 4, 2023, you can log on to Schwab Alliance to access your account.
- Your independent investment advisor on record at TD Ameritrade Institutional will transition with your account and will have the same authorizations on your Schwab account as they had on your TD Ameritrade Institutional account. These authorizations may include trading, fee deduction and payment, and first party money movement.
- If you have a money manager or sub-advisor connected to your TD Ameritrade Institutional account, they will also transfer over to Schwab. We recommend after the transfer is completed to work with your independent investment advisor to review your money manager or sub-advisors' authorities as these authorities may differ from TD Ameritrade Institutional.
- Your account will be enrolled in Schwab's Cash Features Program.
 - TD Ameritrade Institutional accounts enrolled in the TD Ameritrade FDIC Insured Deposit Account (IDA) cash feature will be enrolled in the Schwab Bank Sweep cash feature.
 - TD Ameritrade Institutional accounts enrolled in the TD Ameritrade Cash feature will be enrolled in the Schwab One® Interest cash feature.
- You have access to a Schwab Transition Center, available at welcome.schwab.com/alliance, to further support your transition to Schwab, which provides more information on your transition to Schwab, including what's moving, key dates and FAQs.

Documents to review and the terms and conditions of your Schwab account

Carefully review the documents that will govern your account relationship with Schwab. You agree that when your account is transferred to Schwab, it will be governed by the relevant Schwab Account Agreement and other supporting documentation, available at www.schwab.com/advisedclientagreements, including:

- The applicable Schwab Account Agreement that describes the terms and conditions regarding your Schwab account. By having your account transferred to Schwab, you agree to the terms and conditions in the Schwab Account Agreement.
- The Schwab Cash Features Disclosure document, which outlines the available cash features for your account.
- The applicable Schwab Privacy Policy, which outlines the privacy rules for your account
- The applicable Schwab Pricing Guide which details the fees and commissions associated with your Schwab account

If your TD Ameritrade Institutional account is enrolled in the TD Ameritrade FDIC Insured Deposit Account (IDA) cash feature

Your TD Ameritrade Institutional account is currently enrolled in the TD Ameritrade FDIC Insured Deposit Account (IDA) cash feature and your uninvested cash is automatically swept to the Program Banks assigned to your account. Program banks for the IDA cash feature include TD Bank N.A.; TD Bank USA N.A.; Charles Schwab Bank, SSB; Charles Schwab Premier Bank, SSB; and Charles Schwab Trust Bank.

When your account moves to Schwab, it will be assigned to the Schwab Bank Sweep feature. The cash in your TD Ameritrade Institutional account will automatically be moved to Schwab, and your cash will be swept into an interest-bearing deposit account at one or more Program Banks so you can earn income while deciding how to invest your cash. The Schwab Bank Sweep feature includes the same Program banks listed above. Schwab will let you know which Program Bank(s) are assigned to your account once the transition is complete.

Your cash in the TD Ameritrade IDA feature is currently insured by the Federal Deposit Insurance Corporation (“FDIC”) within applicable limits. Your cash in the Schwab Bank Sweep cash feature will also be insured by the FDIC within applicable limits.

When your account moves to Schwab, it will be assigned to the Schwab One® Interest feature, and the cash in your TD Ameritrade Institutional account will automatically be moved to Schwab. The Schwab One® Interest feature pays you interest on the Free Credit Balance in your Account.

Your balances in the TD Ameritrade Cash feature are insured by the Securities Investor Protection Corporation (“SIPC”) within applicable limits. Your balances in the Schwab One® Interest feature will also be insured by the SIPC within applicable limits.
