Donors have the option to recommend what should occur with the Fund upon their death. There are three options:

- 1. The Donors name one or more individual successors to the Fund to succeed the Donors after their death (Successor Grant Advisors).
- 2. The Donors recommend specific Charitable Beneficiaries to receive either
  - A. All of the remaining assets with respect to the Fund.
  - -OR-
  - B. Annual grants from the remaining assets in the Fund (the recommended annual grants may be a percentage of the annual value of the Fund or a set dollar amount per charity, but, if the aggregate value of the annual grants is less than 4% of the annual value of the Fund, RCF may increase the grants pro rata so that the aggregate value of the annual grants is 4% of the annual value of the Fund).
- 3. The Donors make a recommendation via the Designation Fund Agreement (DFA) application. The DFA application will be reviewed by RCF and upon approval will provide the donor with a formal agreement for signature.

Please fill-in either the Successor Grant Advisor(s) section immediately below OR the Charitable Beneficiary(ies) section immediately thereafter (or attach a letter of instruction).

# Upon the death or incapacity of all of the original Donors of the Fund, please select one of the following options: Successor Grant Advisors will succeed the prior grant advisor and share equal rights to make recommendations The Fund will split and be divided equally into separate Funds. Your financial advisor will contact the successor grant advisors to name each newly created Fund, and, if necessary, to reallocate investments and to name successor grant advisor(s).
