

At Ren, Our Mission is Powering Yours

Ren's donor-advised fund (DAF) engine powers the nation's leading DAF programs, helping advisors offer their clients a world-class giving experience.

Ren's scalable solutions and decades of experience ensure you have the safest, most flexible path to philanthropic impact.

At Ren, we're on a mission to power people, ideas, and institutions for good. With nearly 40 years refining our approach, we've designed technology and services that let you focus on making a difference – without the headache or red tape of charitable giving.

Powering more than

50%

of the DAF assets in the U.S.

Ren is the technology and operations powerhouse behind charitable giving programs

Let us handle the headaches and red tape, while you focus on making a more meaningful impact with your giving. Consider using a charitable giving vehicle instead of simply writing a check, allowing your funds to grow through investment and ultimately maximizing the impact of your charitable contributions.

We've spent decades in the trenches building technology powerful enough to handle the entire end-to-end giving process – yet flexible enough to offer you a personalized experience. That's why more than 500,000 donors trust Ren with their charitable giving.

**Renaissance
Charitable**

Since its founding in 2000, Renaissance Charitable Foundation, Inc. has served as an independent public charity under Section 501(c)(3) of the Internal Revenue Code, dedicated to helping individuals reach their philanthropic goals while maximizing the impact of their giving. Renaissance Charitable Foundation partners exclusively with Ren, leveraging Ren's expertise to handle all administrative, accounting, and consulting needs for Renaissance Charitable Foundation's Donor-Advised Funds (DAFs). As a charity, Renaissance Charitable Foundation provides the legal framework needed for tax-deductible contributions while partnering exclusively with Ren to deliver seamless administration, expert support, and a user-friendly giving platform.

We'd love to hear from you.
